### GENERAL BUSINESS

#### 1. Closure of Raleigh Bridge for Repairs.

- Ride calendars may need to be amended when the RMS notifies the communities of its decisions re closure and times.
- Suggestion from K.Taylor that all northern rides start at Mailman's or North Beach with coffee at North Beach, so as to minimise the number of rides that may have to ride the freeway section from Urunga to Mailman's which is narrow and unsafe.

#### 2. Coffs Coast Challenge

- Proposed date 28<sup>th</sup> October 2018. 160km, 100km, 60km, 40km, 20km and 10km distances proposed.
- Suggestion from event manager that DUBBUG may be interested in participating in a "Bike Week" before the challenge so as to encourage older rides to build fitness and confidence in riding.

**Motion:** That the DUBBUG consider providing 20-40km practice rides on Tuesday and/or Thursday for 4 weeks prior to the event.

**Moved:** R.Janzen

**Seconded:** P.Jones

**Moved**

#### 3. First Aid Course

**Motion:** That the Club investigates the cost of a basic First Aid course for members, that could be undertaken instead of/or after a Sunday Ride

**Moved:** R.Janzen

**Seconded:** K.Taylor

**Moved**

#### 4. Updating Members database

**Motion:** That all members be contacted to update the following information
